Complete set of marked marbles consists of 6 Blue marbles marked A, K, Q, J, 10 and 9; and 6 of each of the following colors marked exactly as the Blue marbles: Orange, Purple, Red. Do not fail to include 6 unmarked Yellow marbles.

If SPIN POKER is not desired, use 6 unmarked marbles in each of the following colors: Blue, Orange, Purple, Red, Yellow. Be sure to remove both Instructions Cards and replace with FORM SPINNER-2.
