Jay -

Man I love that backglass! Thanks for reminding me about it. I wish I had one.

I will try and help as best I can:

Standing, from left to right:

- 1) man in red short taking picture - **Not sure**
- 2) man with mustache, goatee and bowler hat - You, Dwight? **Yep**
- 3) Man with eyeglasses and top hat - **Not sure but someone**
- 4) shorter man with suspenders and cap - **Pete Piotrowski**
- 5) blonde lady with arm raised - **Linda Deal**
- 6) boxer with mustache - Duncan Brown said this was a running joke that this was him but it never was true - **I don't know the joke. The boxer is no one from Williams. It's the toy.**
- 7) Blonde boxer with back to us - **No one**
- 8) red head man above blond boxer's right arm - **I think this is Brad Cornell**
- 8a - Man between Brad and Paul - Jose Delgado**
- 9) man in blue hat, suspenders, left arm raised - **Paul Barker**
- 10) man with black hair, in profile view - **I think this is Rich Carle (sound engineer)**
- 11) barmaid with tray above head - **No one**

Sitting with backs to us, from left to right:

- 12) gray-haired man in front of green curtain, looking at boxer - **No one**
- 13) Man with glasses holding money in right hand - Steve Kordek - **Yep**
- 14) man with hat and with his back completely to us - **No one**
- 15) man with blue vest, hat, and cigarette on lip - **No one**
- 16) man with hat, back to us, holding cane in left hand - **No one**

Did I leave out where Jim Patla would be, as the barfly?

Jim is an actual fly to the left of the camera on the curtain rod.

You missed Pat McMahon in the back. He is being punched with his head tilted back. Just to the left of the main boxers head.

Best regards to you and yours too!

Happy Holidays!

- Dwight
