*Pinball in the
fast lane!*

THE FAST TRACK TO FAST EARNINGS

For players of all skill levels, it's a high-octane adrenaline rush when you take to the track. Tour the globe and take on the very best in the World Championship where winner takes all. Challenge your skills with Motocross, Stunt Biking, Circuit, Drag and Street Racing, and build up towards a

For operators, Highway Pinball's all-new plug and play modular technology and easily updated game software, the minimum of maintenance and dazzling displays on the playfield LCD screen all come together to create pure profit potential.

six-ball frenzy of fast multiball action.

Keep one eye on the road and the other on the rankings while you execute each corner and turn with pinpoint precision. Succeed and victory stays within your grasp for another lap. Fail... and it's nobody's asphalt but your own.

Game details may be subject to change.

Motorised model of arch-rival Francisco Valentino challenges, follows and heckles the player, fueling the urge to beat him.

Perform real wheelies with the captive ball stunt target and kick-up bike toy.

Two pairs of motorised spinning bike wheels give extra swerve to the ball.

INDUSTRY FIRST

A completely interchangeable playfield system within an all-new modern cabinet design. Upgrade later to a future game at a fraction of the cost!

Mac the mechanic and Melanie's support, guidance and call-outs are brought to life on the embedded screen perfectly positioned to the player's view - the first from any major pinball manufacturer.
