MAIN ATTRACTIONS

- In this monster-packed pinball adventure, players become Godzilla! It's up to Godzilla and his allies to rid the earth of the Xilien invasion by destroying cities, battling Kaijus, and conquering Mechagodzilla to become King of the Monsters!
- All models include an industry first "Magna Grab" Godzilla magnetic newton ball, capable of catching pinballs from five different shot paths including straight from the plunge
- This magnetic newton ball can also divert pinballs to set up shots from the upper left flipper
- All models include the original theme song from the 1954 movie "Godzilla"
- Iconic title song "Godzilla" by Blue Oyster Cult instantly transports players into the Godzilla universe

GAME FEATURES

- Dynamic mechanical motorized collapsing skyscraper building bash toy diverts path of shots to intersecting ramps based on floor position
- 6 Main Multiballs: Godzilla, Mechagodzilla, Bridge Attack, Tank Attack, Saucer Attack Wave Multiball and Godzilla vs. Megalon & Gigan Battle ranging from 2 to 6 balls
- Animated breakaway bridge ramp can collapse and drop pinballs onto the playfield or divert pinballs back to the flipper
