LIMITED WARRANTY

Midway Mfg. Co., a subsidiary of Bally Manufacturing Corporation, 10750 West Grand, Franklin Park, Illinois 60131 (the "Warrantor") hereby warrants, to the original purchaser only, that this Bally Professional Model Home Pinball Machine, has been designed and built using the finest materials and workmanship, and will be free from defects in materials and workmanship, under normal use and service, for a period of 90 days from the date of delivery. During the 90 day warranty period, Warrantor agrees to, at its option, repair or replace the equipment, at no cost to the customer. In addition, Warrantor will replace all defective components for a period of one year after delivery.

This warranty does not cover bulbs, fuses, and rubberbands. This warranty does not cover broken glass. In the event of glass breakage, the customer should contact the shipper with regard to the possibility of replacement.

In the event that you desire to obtain performance of any warranty obligation, please contact the person or firm from whom you bought the equipment.

This warranty is void, if repairs are made by other than a BALLY AUTHORIZED SERVICE AGENT, or if the equipment has been subject to misuse, negligence or accident.

When requesting performance under the terms of this warranty, the original purchase date must be established by the customer by means of a bill of sale, invoice, or other acceptable documentation.

Out of warranty repairs will be performed at the prevailing service industry rates.

In order to validate this warranty, you must mail the enclosed warranty card, together with a sales slip or other proof of purchase.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

- Fully electronic operation for years of trouble-free fun.
- Shatterproof, tempered glass on playfield for total safety.
- Solid-state circuitry for fast, easy repairs.
- Diagnostic Check Switch tests functions automatically!
- 90-Day warranty.
- Strong steel legs with levelers.
- Mini-computer, the exclusive Bally "Game Brain", tallies and remembers scores.
- Adjustable difficulty control.
- Automatic ball return keeps the action moving... just push a button, and you're ready to play again!
- Commercial size (22" x 42") hardwood playfield has all the color, action and excitement of amusement center games... flippers, bumpers, thumpers, flashing lights and bells.
- Up to 4 people can play at once for tournaments with family 'n' friends.
- Electronic LED scoring readout with large numbers.
- Adjustable volume control for the game's dozen different tones 'n' tunes.
- Special third flipper adds extra action and skill shots.
- Flipper buttons are only 34" from the floor, so the kids won't miss out on the fun!

EVEL'S GREATEST PERFORMANCE BRINGS FAMILY FUN AND ACTION TO YOUR HOME!

Now you can turn your family room into a real family fun center with the thrilling action of Evel Knievel... the full size, action-packed pinball your family and friends will love! And the Bally Evel Knievel is just as easy to own as it is fun to play. You assemble Evel Knievel in minutes with simple household tools. Snap in the Bally "Game Brain" circuit boards, plug the game into any household outlet and you're ready to play.

EXCLUSIVE BALLY "GAME BRAIN" AND DIAGNOSTIC CHECK TEST COMBINE WITH FAMOUS QUALITY CONSTRUCTION FOR YEARS AND YEARS OF FAMILY FUN.

The Bally Evel Knievel is built to take it, with solid construction throughout.

The diagnostic check switch lets you automatically test every vital function—even light bulbs—to make sure everything is working properly.

The Bally "Game Brain" just snaps out if there's ever a problem, and is easily replaced with a new one available from your dealer. Only Bally could give you solid state engineering like this, so you get years of great family fun without complex diagrams to figure out, or costly service calls.

Your Bally Evel Knievel home pinball game is backed by Bally, the world's largest manufacturer of coin operated amusement games since 1931.
